## Welcome Note from the Registrar

Welcome to North South University, fondly known as NSU. We are pleased to see you joining our community. We have a lot to offer at the university: outstanding faculty and staff whose priority is student learning and wellbeing, year-round campus programs and activities giving you a chance to learn outside the classroom, and of course, world-class logistic support needed for a well- rounded learning experience. We are large enough to offer programs catering your needs, and small enough to personally know you and care for you.

At NSU, we treat you as an adult. You will be given ample freedom to make your own choices, but as an adult you will be responsible for your choices. There is no easy sailing at NSU. We are committed to academic excellence, and we make sure that our graduates receive the highest quality education by working hard for it. From the very first day, you will be expected to keep up with your studies. Every quiz, every assignment, and every exam that you take will contribute towards your final grade. Your final grade will be a permanent record in your transcript, and will stay with you for the rest of your life.

No, we are not as grumpy as we may sound. We have fun at NSU too. We have twenty three student clubs that contribute to the extra-curricular life at NSU: Computer Club, Debating Club, Social Services Club, and so on. However, everything comes after your studies. You should make the best use of the opportunities that are provided to you, and best use of time as well.

“The choices we make dictate the life we lead”. You have made the right choice by selecting NSU, and we hope you will be making the right choice throughout your academic years so that you can lead the life the way you deserve.
