20 April 2021

Notice

In line with government directives, North South University authority has decided to extend its campus closure **until 28 April 2021** for the safety of its faculty, staff, students and visitors. Only emergency services will run with minimum staff. If any faculty or staff member needs to visit the campus for an urgent piece of business, s/he must cooperate with the security personnel on duty, follow the health and safety protocols related to COVID 19 and spend minimum time in the campus. All online classes and related activities will continue as before. All staff members must be available to work from home and are requested to keep in touch with unit heads and colleagues via phone, email, SMS, and other appropriate means. This announcement will be reviewed from time to time based on the developing situation and government directives.

Stay home, stay safe.

Thank you.
