

North South University

Office of the Registrar

NSU/REG/2021-05

12 April 2021

Notice

Dear students

Hope you and your loved ones are doing well.

As you are aware, the NSU campus is closed due to escalation in COVID 19. We, at the registrar's office will try our best to continue services online as much as possible, but there will be service-delays for reasons beyond our control. Please bear with us.

As you are also aware, all the service forms are available on our website (<http://www.northsouth.edu/registrars-office/>). Please fill in the appropriate form and submit via email to the respective office. At the bottom of the form, it is mentioned where to submit the form.

Please take care of yourselves and your near and dear ones, follow the health and safety rules, and stay home. May the Almighty protect us all.

Best wishes.
