Library Orientation Program
Spring 2024

The NSU library is a Radio Frequency Identification (RFID) based automated library with online and digital facilities. The students can borrow and return library resources by using RFID self-check and book-drop machine and also browse, search, read and reserve library resources, renew borrowed books and check their borrowing status from their residence through library website <https://library.northsouth.edu>. An orientation program has been organized to provide new students of Spring 2024 semester with an opportunity to become acquainted with all aspects of NSU Library systems, services, resources and facilities. Therefore, all new students are invited to attend the library orientation program at Library Building, 4th Floor as per following schedule:
