1. ANSWER ANY ONE OF THE FOLLOWING QUESTIONS

- a) Critically analyse the problems of the health sector in Bangladesh and suggest ways to ensure better health services for citizens.
- b) To make democracy truly functional, local government institutions must be developed and enjoy both functional and financial independence. Unfortunately, in Bangladesh local government has been weakened under different political regimes. Suggest ways to strengthen the local government institutions so that they can effectively provide better services and respond to the needs of citizens at the local level.
- c) In recent times, there has been an increasing trend of frequent road accidents, especially on national highways. As a result, it has become a policy concern for the government as it involves the loss of lives and livelihoods. Analyse the reasons for such an increase in accidents and suggest ways to minimize the rising trend of such accidents.
