Library Orientation Program
Fall 2022

The NSU library is a Radio Frequency Identification (RFID) based fully automated library with online and digital facilities. The students can borrow and return library resources by using RFID self-check and book-drop machine and also browse, search, read and reserve library resources, reissue borrowed books and check their borrowing status from their residence through library website <https://library.northsouth.edu>. An orientation program has been organized to provide new students of Fall 2022 semester with an opportunity to become acquainted with all aspects of NSU library systems, services, resources and facilities. Therefore, all new students are invited to attend the library orientation program at Library Building, 4th Floor as per following schedule:
