Message from the Vice-Chancellor

Honorable Foreign Minister Dr. A. K. Abdul Momen, Honorable Chair of the Board of Trustees, Mr. M. A. Kashem, other honourable members of the NSU Board of Trustees, Pro-Vice-Chancellor, Deans, Directors, academic faculty members and colleagues from administration, and most importantly, our new members of the NSU family, the newly enrolled students of Summer 2021, with great pleasure I welcome you all to our Orientation Program Summer 2021.

We are conducting the orientation program online for the fourth time in NSU's history. While the world continues to adjust with the new normal, wearing masks, social distancing, doing everything virtually due to COVID-19 pandemic, we, at NSU, are giving our best so you can continue your education uninterrupted.

First of all, let me congratulate the students on their excellent results in HSC or equivalent, high enough to quality for admission into NSU. I also congratulate the new entrants to our graduate programs. I welcome you all to North South University, the first and the best Private University of Bangladesh. Congratulations to the parents as well on their wise decision to send their children to NSU, a centre of excellence in higher education.

To reassure the Summer 2021 intake and the parents, I mention some facts about NSU. Please note that we are the first private university in the country. In the QS Asia University Rankings 2021, once again we emerged as the #1 Private University in Bangladesh. Currently, we are at 228 but we have the goal to be in the top 100 in Asia. In the latest QS World University Ranking 2022, officially unveiled on 08 June 2021, NSU proudly held its spot as the #1 Private University in Bangladesh and has achieved a rank of 1001-1200. NSU has been ranked in the QS World University Ranking for the very first time and thereby becoming one of the first Private Universities from Bangladesh to enter the list. Our School of Business and Economics is ranked worldwide in the range of 351-400 and School of Engineering and Physical Sciences in the range of 601-650 in QS World Ranking. We have the best qualified and most caring academic faculties in this country, Department by Department, School by School. We have the safest campus in the country. Because of corona virus, we keep our campus disinfected all the time and follow proper health protocols to keep everyone safe. We have the most modern library, classroom facilities, and a very modern gymnasium. We also have internal sports facilities and a playfield. We have the largest campus of all the private universities in Bangladesh and are moving to an even larger one in the future. We are the best private university in Bangladesh for research, teaching and learning, and graduate employment. Recently, we have awarded our research active academics for their research excellence.

Our four Schools have received multi-million dollars in funding commitments from national and international sources over the last twelve months. We have joint research arrangements with NASA, UMD, Johns Hopkins in the US, Cambridge University in the UK, and a number of Australian Universities including, Macquarie, and Monash. We have student and staff exchange agreements with a large number of universities in North America, Australia, and Europe.

We are effectively engaged with the Govt., industry, and professions. Our programs are accredited internationally. We have recently added another 45,000 square feet of office rooms and student classrooms. We have built a Bangabandhu and Liberation War Corner in our Library. Honorable Minister for Science and Technology Architect Yeafesh Osman did the honor of inaugurating the corner. We have also published a high-quality book on Bangabandhu in this Bangabandhu birth centenary year. We have set up an IELTS Center in partnership with the British Council. We have established a Modern Pathology Laboratory adjacent to NSU Medical Center with a view to perform common pathological tests including biochemical test, microbiological test, serological test, and other routine examination for the students, teacher and staff. We have twenty-one highly active student clubs providing ample opportunity to develop leadership qualities among students as they pursue their hobbies and interests. Our clubs have been regularly winning national and international competitions. We do extremely well in inter-university competitions in sports, debate, and innovation at national level.

Summer 2021 is extra special to us as we take another step ahead towards quality education. To improve online education, we have recently acquired CANVAS Learning Management System (LMS). To our knowledge, NSU is the first university in South Asia to adopt CANVAS LMS. The Honorable Minister, Dr. Dipu Moni kindly inaugurated this system. NSU recently had its 23rd convocation which was conducted online the very first time. It was a roaring success by any standards, given the situation prevailing in the country with a resurgent number of COVID-19 cases.

North South University played a big role in fighting COVID-19. We helped the relevant government agencies with volunteer doctors and student workers. We also distributed relief material through various government agencies such as Bangladesh Army and Police. NSU staff donated two days of their salary amounting to 50 lacs taka to the Honorable Prime Minister's Relief and Welfare Fund. We have been consistently giving a special COVID waiver of 20% to our students.

We assure the parents, we will do our very best to develop your most valuable asset– your children, into ethical professionals with a global outlook. NSU is a non-political, non-racial, entirely secular institution. We strongly believe in diversity and tolerance. We have students from all ethnic and religious groups; we treat them exactly the same. In short, your children are in capable hands.

To the Summer 2021 cohort, you will have the best teachers, best facilities, best ambience, best campus and culture in the country. I hope you will make the best use of it all.

Office of Student Affairs

Office of Student Affairs (henceforth OSA) deals with all non-academic and non-disciplinary matters of students' life at NSU. We have four schools and sixteen Departments providing undergraduate and Master's degrees in light of the American Curriculum. From its inception in 1992, the university emphasized the extra-curricular and co-curricular activities to fulfill our programs' general education requirements. The university has created unique opportunities for developing leadership skills without being a direct member of any political party at the national level but in the liberation war spirit. This kind of training is essential to face a challenging environment in life. OSA is run by six officials led by the Director of Student Affairs, Professor Dr. Gour Gobinda Goswami, who supervises all the co-curricular and extra-curricular activities under the Pro Vice-Chancellor's direct supervision. Each club is led by a Faculty Adviser having adequate skill and passion for this job. The executive bodies and other members from enthusiastic students run the clubs as per the Faculty Adviser's direction on a fixed-term basis. The office is also in charge of celebrating all the national days and supports higher authority in any student matter other than academics and discipline. Currently, we have twenty-one students' clubs, of which thirteen are co-curricular, which have a direct link with a particular discipline, and eight other extra-curricular clubs. Among all the clubs সাংস্কৃতিকসংগঠন is the largest.

Besides, we have some professional associations affiliated with the Academic Department. Students can choose at least one among the list and develop their leadership skills to apply in their practical life. We have Basket Ball Ground, Badminton Ground, Football and Cricket Field, Table Tennis, Billiard Room, Carom and Chess, Gymnasium, Recreation Area, Well-equipped Boys' and Girls' Lounge, Prayer Room, Huge Auditorium, Mini Auditorium, Open Air Theater, Plaza Area, Counselling Center, Medical Center, Career and Placement Center (CPC) for students for meeting different kind of their need relating to their happiness and wellbeing. Even though NSU is a non-residential campus, students remain engaged in various exciting and creative activities throughout the semester. Among all the programs, বসন্তউৎসব and পহেলাবৈশাখ are noteworthy. In a word, this office deals with student life related to their happiness and wellbeing so that student life becomes memorable even after graduation. We urge all the NSU students to become members of at least one club and be engaged in different activities depending on their choice.
