20 February 2022

Notice

In line with the latest government directive, students with 2 doses of COVID vaccine will attend classes on-campus from February 22, 2022. Others will attend classes online.

All classes will be held physically on-campus when the situation permits, and an announcement regarding this will be made in due time.

Students are strongly encouraged to get vaccinated as soon as possible.

This announcement will be reviewed based on the developing situation and government directive.
