### Notice

Dear students

Hope you and your loved ones are doing well.

As you are aware, due to escalation in COVID 19 all the offices of NSU are run on 50% staff. We, at the registrar's office, will try our best to continue services as smoothly as possible, but there will be service-delays for reasons beyond our control. Please bear with us. As you are also aware, all the service-forms are available on our website (<http://www.northsouth.edu/registrars-office/>). Please fill in the appropriate form and submit via email to the respective office. At the bottom of the form, it is mentioned where to submit the form.

Please take care of yourselves and your near and dear ones, follow the health and safety rules, and stay home.

May the Almighty protect us all.

Best wishes.
